ALL YEAR LONG.**

We've Got You Covered... All Year Long!

At Sharp Energy, we appreciate our customers. We know if we take good care of you – our customer, there's a very good chance you'll return the favor. That's why we're pleased to present the **Sharp Energy Loyalty Rewards Program**. It's our special way of thanking good customers like you for your business... all year long.

The idea is simple: Your demand for propane is highest in the winter months when the weather is cold and prices can be high. Your demand is less in the summer months, when the weather is warm and your heating needs decrease, or even disappear. With the **Sharp Energy Loyalty Rewards Program**, we will reward you for your year round business with Sharp Energy... at a time when you need it most.

Sign Up Now for the Best Price All Year

When a Sharp Energy customer signs up for the Pro-Cap Protection Plan, Pro-Cap ensures that the price you pay for propane is protected by our price cap. So no matter how cold the winter, or how bad the economy, your price is guaranteed not to rise above the price cap. And if the price should drop below the price cap? You pay the lower price. The Pro-Cap Protection Plan begins in September and runs through April. A \$34.95 annual enrollment fee ensures that you will pay the absolute lowest price for your propane this winter.

Gallons in Summer = \$\$\$ in Winter

During the summer months – May, June, July and August – you have a chance to earn Loyalty Rewards every time Sharp Energy delivers propane to your residence. For every gallon of propane delivered during the summer, you can earn free gallons delivered to you after the first of the year... **FREE OF CHARGE!**

Here's How It Works:

- Enroll in the Easy Pay (budget) plan, you'll receive **5%** of the gallons delivered in the summer!
- **OR...** Sign up for Electronic Fund Transfer (EFT), you'll receive **10%** of the gallons delivered in the summer!

Loyal Sharp Energy customers have the opportunity to earn as much as 10% of the propane delivered in the summer months for free and delivered after the first of the year – when you need it the most! To make sure you qualify for Loyalty Rewards, call 1.888.SHARP.40 today and we'll make sure you're enrolled in the **Loyalty Rewards Plan**. If you're already using EFT to pay your bill, you're already eligible and on your way to earning free propane! If you are already on the Easy Pay Plan, increase your rewards to 10% by signing up on EFT today!
