Avoid Large Winter Heating Costs with Sharp Energy's Easy Pay Program...

Choose Easy Pay for **SAVINGS**

Did this winter's propane costs strain your family's budget? Sharp Energy has the answer to your budgeting woes. The Sharp Energy Easy Pay Plan can help you avoid large winter heating cost worries and feel more relaxed when it comes to staying within your budget. With Sharp Energy's Easy Pay Plan, you can leave the worrying to us. Our Easy Pay Plan allows you to spread your propane costs for the heating season over the entire year. All for no additional cost to you, our valued customer.

How It Works

To help you with your winter energy bills, Sharp Energy offers the Easy Pay Plan. Easy Pay averages your 12 months of energy costs over 11 months with a 12th payment that will realign your account for the next heating season. We will periodically review your account during the winter to ensure you that your Easy Pay amount is adequate. To become an Easy Pay Plan customer, complete the online form at www.sharpenergy.com or contact your local district Customer Service Representative for more information. Easy Pay payments are due by the 15th of each month. All monthly payments must be made to remain on the Easy Pay Program.

Easy Pay at a Glance:

- **Equal Payments**
Spread your propane costs for the heating season over the entire year.
- **Account Realignment**
Reset your account balance every year.
- **Account Reviews**
Sharp will monitor your account to ensure your Easy Pay amount is adequate.

"Making equal payments all year helps me keep track of my family's budget without having to guess what the monthly cost will be."

Avoid large winter heating cost worries and feel more relaxed when it comes to staying within your budget this season.
